TROOP 13

The Church of the Good Shepherd UMC

Vienna VA

George Mason District National Capital Area Council

Boy Scouts of America

Troop 13's and Scouting's expectation of all scouts (adults and boys) behavior is based on respect, Respect for ones self, respect for others, respect for our country, respect for the environment and respect for property. The expectation of respect is based on the Scout Law, generally accepted behavior, and common sense.

CODE OF CONDUCT: Annually, at recharter time, each Scout will review the Code of Conduct agreement. If the Scout wishes to abide by the Code, he will sign the form, obtain his parent's signature, and return the signed Code of Conduct form to the Scoutmaster.

After the recharter date, any Scout who has not turned in a signed Code of Conduct form to the Scoutmaster, will not be permitted to participate in Troop 13 events/activities.

INAPPROPRIATE BEHAVIOR CONSEQUENCES: The troop's goal is to handle discipline situations in a firm and fair manner to the best of the scout's benefit and our ability.

Behavior in defiance of the Code of Conduct will be addressed by the following leadership:
LEVEL

1. Patrol Leader/Assistant Patrol Leader
2. Senior Patrol Leader/Assistant Senior Patrol Leader
3. Assistant Scoutmaster/Junior Assistant Scoutmaster
4. Scoutmaster

It is expected that two individuals will first attempt to resolve an issue between themselves before anyone else (youth or adult) needs to become involved.

The parents of the scout whose behavior has been called into question will be notified ASAP by the Scoutmaster or adult leader regardless of the severity of the offense. This requires the scouts in leadership positions to communicate promptly with an adult leader letting them know the status of the situation, its' resolution and if they require adult leader intervention with the situation.

Gear Exchange

- Troop informally maintains a collection of used personal gear

A blue silhouette illustration at the bottom of the slide depicts various outdoor activities: a person rappelling from a cliff, a person in a kayak, a person paragliding, a person mountain biking, another person mountain biking, a person walking with a backpack, and a person walking with a backpack. Basic Personal Equipment

- **Sleeping bag**

- We camp in temperatures from 10 degrees to 100 degrees, bag rated for ~30 degrees is a good compromise
- A pad is required, your sleeping bag will NOT keep you warm without one, closed cell foam is a great choice, very cost effective and performs great, scout proof

- **Backpack**

- All personal gear should ideally fit in one bag. We aim for one trip from the parking lot to the campsite!

- **Day Pack**

- String bag will work fine to start, enough to carry water, lunch, and extra clothing/rain gear on a day hike

A decorative banner at the bottom of the slide featuring silhouettes of scouts in various outdoor activities: rappelling, kayaking, hang gliding, mountain biking, and backpacking. The text "Prepared. For Life." is positioned above the backpacking silhouettes.

Basic Personal Equipment (II)

WATERPROOF Hiking Boots

- A key piece of equipment for safety and comfort. We see our share of mud, and with 11-12 year old boys we tend to spend some time in it.
 - Nylon is fine
 - Waterproof is KEY
 - Do not have to be expensive

Seasonal Appropriate Synthetic Clothing → SOCKS!!

Expensive gear is not a necessity!

We'll work towards "there's no bad weather....just bad gear" but that is not where we start on day one.

Prepared. For Life.®

Camping Hints

- **Layers, Layers, Layers**
 - “Cotton Kills” – no warmth when wet
- **Pack in Ziploc Bags/line pack with yard waste bag**

- **Closed Cell Foam pads are perfect to start out with**
 - Thermarest Z-Lite (~\$30)

What Does Boy Led Look Like?

**DO NOT BE ALARMED WHEN THINGS SEEM
DISORGANIZED!**

**Troop 13 really is boy led...and disorganization is part
of the learning process for the boys.**

When you see Scouts struggling a bit, or not doing a job as well as you know that YOU could do it, resist the temptation to do it for them. A little guidance is often welcome, but let the successes be theirs as much as possible. The ultimate reward is their success after overcoming those temporary setbacks.

Keep it Safe, Keep it Fun!
